

# Lifting Tables

- ▶ Manual lifting tables for lifting and lowering heavy objects.
- ▶ Can serve as adjustable workbench near presses and machine tools.
- ▶ Table can be lifted by either using a lever on the hydraulic unit, or a foot pedal.

Type **3268**

	700 × 450 mm (table)
	220–720 mm (table height)
	950 mm (handle height)
	150 kg
	46 kg

Type **3269**

	850 × 500 mm (table)
	285–880 mm (table height)
	990 mm (handle height)
	300 kg
	77 kg

Type **3270**

	850 × 500 mm (table)
	285–880 mm (table height)
	990 mm (handle height)
	500 kg
	81 kg

Type **3271**

	1000 × 510 mm (table)
	420–990 mm (table height)
	990 mm (handle height)
	750 kg
	125 kg

Type **3272**

	1160 × 630 mm (table)
	380–990 mm (table height)
	980 mm (handle height)
	1000 kg
	140 kg

Type **3273**

	910 × 500 mm (table)
	355–1300 mm (table height)
	975 mm (handle height)
	350 kg
	105 kg
